Dear Sir/Madam

### Parking Pressures – Milton Area

The Council has been asked to look at the parking pressures in your area and is proposing the implementation of a Parking Management Scheme (PMS).

Included in this documentation is a leaflet which gives a detailed description of a PMS, and how it could affect you and the local community.

Please note, however, that this is only an **initial and informal** consultation which is offered at this stage so that we can gather your views on the proposals.

To allow us to ascertain the views of the local community we would ask that you please fill in and return the enclosed questionnaire. The more feedback we receive, the better informed we will be as to what your parking needs are and how we can help to satisfy those needs.

We will be holding two drop in sessions, and I would encourage you to attend as this will give you an opportunity to view the initial designs, and speak to Council representatives about the proposals. The dates on which the drop in sessions will be held are as follows:

- Wednesday 15<sup>th</sup> June 2011 at the Civic Centre – Victoria Avenue  
18.00hrs – 20.00hrs
- Saturday 18<sup>th</sup> June 2011 at the Civic Centre – Victoria Avenue  
1000hrs – 1400hrs

If you wish to discuss any of the proposals or express any concerns with myself or my team, then please feel free to contact us using the above details.

Yours faithfully,

*Cheryl Hindle-Terry*
